

CMV SHARPER FINISH

Model IFC2400 **Ironer / Folder / Crossfolder**

The most versatile combination Ironer/Folder available

Features - IFC™

*120" (3m) ironing width. Optional 132" (3.3m) and 136" (3.4m) width available. 24" (610 mm) diameter heated cylinder, and the Intelatrol® is standard. Soon 20" (508 mm); 30" (762 mm); and 36" (915 mm) models will be available.

*Dries, irons, primary folds, and crossfolds. Optional stacker and conveyor will soon be available.

*Left or Right discharge. Front or rear discharge for items not crossfolded.

*Made by "The Ironer People"™. This is all we do and we do it well. You cannot find an ironer in this class that is less complicated than the IFC™. We work hard to simplify our design so you have less to worry about. The IFC™ lets you do more with less.

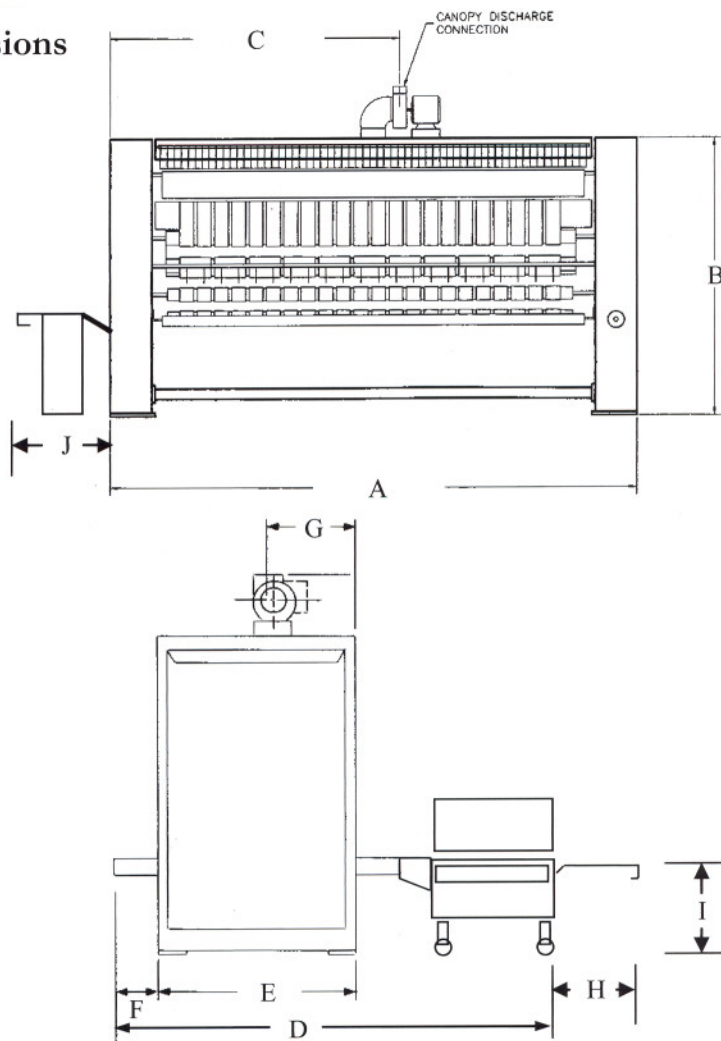

*The IFC™ requires minimal floor space, but is very versatile unlike the competition.

*Delivers beautifully ironed linen in any material: cotton, blended polyester/cotton, or all synthetics. Accurate temperature is maintained by a snap action thermostat.

*The IFC™ can be heated by gas, steam, or electricity.

*Available from most electrical specifications. Compressed air required.
